How About
Your Figure?

There is no escaping the fact
that beauty is not born as much
as it is made, and it is in the
making that the secret of
keeping your figure under con-
trol is found. Now is the sea-
son of the year when all Nat-
ure is changing. Why not have
your figure remodeled at this
time? We know you will be
thrilled with our colonizing
pills—they are both beneficial
and harmless. You have only
to try them to be convinced.
Many of our delighted patrons
have attested that they have
not only lost in weight and
measurements but, also, that
they "feel like a million!"

LACK PEP?

Want a restoration of that vic-
torious feeling you've missed for
so long? Try a colonic irri-
gation followed by an electric
sweat bath that removes bodily
toxins and restores your nat-
ural surface and new sur-
face impurities. Then relax
under the soothing blood ting-
ling Swedish Massage that
strengthens the tissues and
forces up your flesh. You may
come in like a lamb but you'll
go out like a lion with more
zip and pep than you've had in
ages. Try me!
